

Surprise Gift

On June 21, Richard's Fuel and Heating celebrated its 500th Mitsubishi Electric Heating and Cooling mini-split installation with an event that surprised lucky customer Lisa Bartlett, as well as the installation technicians. Briget Michaud, business manager at Richard's Fuel and Heating and one of the organizers of the promotion, showed up with a cake and balloons and presented Bartlett with a gift certificate covering half her unit and installation costs. Richard's Fuel and Heating also donated \$500 to the Easthampton Council on Aging. Pictured, from left: Michaud, Bartlett, and Sean Gallagher from BellSimons Co., the Mitsubishi Electric rep for Richard's Fuel and Heating.
