

## SIBOR leaders, representatives attend Global Real Estate Summit NYC

**Staten Island Board of Realtors (SIBOR) leaders and representatives gather for a lunch break during the 13th annual Global Real Estate Summit NYC. The symposium, held at the New York Marriott Marquis, Manhattan, marked a major milestone last month, hosted for the first time by five major Realtor associations with a combined membership of more than 51,000 real estate professionals. Spotlighting international real estate business strategies, stories and successes, this year's event was presented by Global Summit founder SIBOR, along with Hudson Gateway Association of Realtors, Long Island Board of Realtors, Greater Bergen Association of Realtors, and Brooklyn Board of Realtors. The event's premier sponsors were the National Association of Realtors and the New York State Association of Realtor. Courtesy, SIBOR**
