

### **Suffolk County Community College Named a 2020 Best for Vets College**

*Military Times* has named Suffolk County Community College (SCCC) a “Best for Vets” college in its 2020 rankings. In their tenth year, the rankings are based on the results of Military Times’ annual survey – the most comprehensive school-by-school assessment of veteran and military student services and rates of academic achievement – as well as a detailed review of public data collected by federal agencies.

*Military Times’* annual Best for Vets: Colleges survey asks colleges and universities to disclose academic outcome and input data, describe many aspects of veteran culture on campus and meticulously document a wide array of services, special policies, accommodations and financial incentives offered to students with military ties. Military Times also factors in data from the Veterans Affairs and Defense departments, as well as Education Department sources.

Suffolk County Community College provides a Veterans Resource Center on each of its three campuses staffed by experts that are knowledgeable about a variety of military and veteran education benefits. The college also provides courses on base at the 106th Air Rescue Wing in Westhampton Beach that allows active duty military members to earn their Community College of the Air Force (CCAF) degree.
