

the PEOPLE ON THE MOVE

ENGINEERING

The Provost & Pritchard Consulting Group team continues to grow with the addition of a pair of new employees to the firm. **Philip Slater**, a Geographic Information Systems (GIS) specialist, is joining the firm's Bakersfield office while **Lindsay Batty** will join the team in Fresno as a human resources coordinator.

"We are excited to have Philip's experience as part of our team of GIS group, and Lindsay will be a great addition to our HR team," said Ronald Samuelian, Provost & Pritchard's president.

Slater comes to Provost & Pritchard with more than 12 years of GIS experience. He is experienced in providing GIS services to a variety of clients, including managing, updating and analysis tasks for five Central Valley cities. He holds a bachelor's degree in geography/cartography, with a minor in GIS, from California State University, Northridge.

Batty joins the firm with nearly eight years of professional experience, most recently serving as the Director of Programs and Services for the California Olive Committee. A graduate of Utah State University with a degree in agricultural business, she has experience in marketing, research programs, community outreach, policy development, government relations, and financial administration.

REAL ESTATE

Raj Sodhi-Layne joined Xander Commercial Group, a division of Xander Mortgage and Real Estate, as senior vice

president managing their commercial and ag lending department.

HEALTH CARE

Adventist Health Medical Office – Kerman Central is pleased to welcome certified nurse practitioner **Angelica Gutierrez** to its primary care practice. Gutierrez provides comprehensive medical care to patients, from pediatrics to geriatrics, and counsels patients on recommended lifestyle choices and changes. She also cares for patients with a range of medical conditions and needs, including acute and chronic diseases such as diabetes and hypertension. The wellbeing of her patients is always top of mind.

"I work hard to provide my patients with answers to their concerns," she said. "I love making people happy."

Gutierrez earned her master's degree in nursing science from the California State University, Fresno family nurse practitioner program, and a bachelor's degree in public health nursing from Western Governors University in Salt Lake City. She is board-certified by the American Academy of Nurse Practitioners and is fluent in both English and Spanish.

When not caring for patients, Gutierrez enjoys spending time with her husband and family, traveling and attending church.

Gutierrez is accepting patients at Adventist Health Medical Office – Kerman Central, 275 S. Madera Ave., Ste. 201, in Kerman. Appointments and more information are available by calling 559-846-5240 or by visiting KermanCare.com.
