

WINNERS

Compiled by Michael R. Ebert

LOUIS VLAHOS

Partner

Louis Vlahos of Port Washington has placed second among the top 10 authors on the topic of tax law for 2021 in the Readers' Choice Awards coordinated by JD Supra, which is an online repository of free legal information. Vlahos is a partner at the law firm of Rivkin Radler LLP, which he joined this year, and provides pro bono services to charities and noncharitable organizations on Long Island and in New York City. In addition, he has previously served on the management committee at the law firm of Farrell Fritz and has served on the boards of Queens Theatre, Queens Chamber of Commerce and the Long Island City Partnership.

eral Practice Section, a fellow of the New York Bar Foundation, and is involved in the nonprofit Long Island Elite.

AMRITA DEONANAN

Student

Amrita Deonanan of Brentwood has received the Chancellor's Award for Student Excellence from the State University of New York in recognition of her "outstanding achievements and for best demonstrating the integration of SUNY excellence within many aspects of her life," the organization said. Deonanan is a business administration major at Suffolk County Community College with a 4.0 grade-point average and has earned Dean's List recognition every semester for the past two years.

ELISA S. ROSENTHAL

Counsel

Elisa S. Rosenthal of East Hills has received the General Practice Award for 2020 for Nassau County from the New York State Bar Association in recognition of her expertise to improve the daily practice of law for general practitioners statewide. Rosenthal has been counsel to Franchina Law Group in Garden City since 2018; and she is a board member of the Nassau County Bar Association's Nassau Academy. She is also the immediate past chair for the New York State Bar Association's Gen-

ERIC ROWLAND

Assistant professor

Eric Rowland of Lynbrook has received the 2021 Distinguished Teaching Award from the Mathematical Association of America's Metropolitan New York Section. Rowland is an assistant professor of mathematics at Hofstra University, where he has been part of the faculty since 2016, and serves as adviser to the university's Math Club. His research interests include number theory, combinatorics and computer-assisted mathematics.
